The Formidable Warship Washington Glides Into the Water at Camden, N. J.

Camden, N. J., Sept. 1.—The Washington, one of the largest and most powerful super-dreadnaughts ever built for the United States havy, was launched today at the plant of the New York Shipbuilding Company here.

As the great fighting machine slid down the ways toward the Delaware river, little Miss Jean Summers, a ten year old daughter of Congressman and

year old daughter of Congressman and Mrs. J. W. Summers of Walla Walla, broke a bottle containing waters from the principal rivers of her native state upon the bow of the ship. There was a hiss of steam and smoke as the 16,-000 ton mass of steel gided toward the water, for the friction was great and the oil and soap mixture used to grease the ways seemed as succeptible to the sultriness of the weather as the thous-ands who watched. The ship when completed will be about \$3,000 tons.

Twenty-six congressmen were in the Twenty-six congressmen were in the distinguished party of statesmen, naval officers and shipbuilders who watched the launching. Of these, "Uncle Joe" Casson, Lenuel Padgett, for many years a member of the house naval affairs committee and its former chairman, Isaac V. McPherson, of Missouri, and J. W. Summers, father of the sponsor, spoke at the luncheon which followed, all of them urging that the United States navy should remain equal to any affect.

Rear Admiral Thomas Washinston, chief of the bureau of navigation, officialchief of the bureau of navigation, official-

represented the navy.

Congressman Padgett maintained that the battleship would always remain the nation's first line of defense, and that alreraft would never supplant it,
"I am in favor of disarmament," he said. "And I want to see relieved as far as possible the people's tremendous burdens of taxation. But let it be under-

stood that the reduction should be con-current among the great powers and the navy of the United States should always be equal to the best in the world."

Mr. Cannon, upon rising, turned to Mr.

Slaying Communist Leaders in Petrograd

Trotsky Says Eight Have Been Assassinated Within the Past Two Months.

Riga, Sept. 1 (By the A. P.) .- Eight Russian communist leaders at Petrograd have been assassinated within the past two morths in connection with the "White Terrorist" plot, it was revealed by Leon Trotzky in a speech before the Moscow soviet meeting last Tuesday night, according to a Rosta News agency despatch received here today.

The despatch added that attempts had been made to accessing to M. Zinovieff

been made to assassinate M. Zinovleff, chairman of the executive committee of the Third Internationale; Maxim Gorky, and M. Ansilohitch, president of the Pet-rograd Trade unions, and to rob a train loaded with gold and other valuables on which Leonid rassin, the soviet trade representative, was riding. Details of the alleged plot, reported by

the Cheka, or bolsheviki inquisition, and carreld by the Rosta News agency and wireless despatches, charged that plot was participated in by the Ameri-can intelligence service, the French secret service and the Finnish general star to gether with General aron Wrangel and number of Russians in Paris. All th active participants within Russia, says the Rosta despatch, "suffered the de-served penalty." The despatch added tha the armed revolt was planned in Petrograd for late Angust at the time of the collection of the natural taxes. The names of those said to have been

assassinated were no tannounced.

The wireless despatches say that the plotters obtained grenades, dynamite and | week. arms from Finland and from military crores in Petrograd. In their first activi-ties they blew up the Volodarsky statue and then attempted to carry out assussin-nations. They also planned of burn oil stores and blow up the train on which Krassin was riding.
